

WR & TFX Hopper

Introducing Westfield's NEW intake hopper. This option for your WR or TFX auger makes it easier to unload bins and fill trucks without the hassle of a poly hopper.

- Available in 8" and 10" models
- Optional wheel kit with adjustable height
- Wear Edge flight in hopper
- Self-leveling hopper with tapered transition neck
- Easy clean out with removable access plate
- Complete with tow hitch and fixed position stabilizer bar
